

FEATURES

- Compact Size 100x Zoom PTZ
- 90° Vertical, 355° Horizontal
- Built-in IR Cut
- 10x Optical Zoom
- IR Up to 98 Feet (30 meters)
- Super Low Illumination, Optional Starlight Level
- ONVIF Compliant
- 48 Preset Positions and One Watch Point

SPECIFICATIONS

Image Sensor	1/2.8" CMOS
Focal Length	4.7mm – 47mm
Zoom Factor	100x Zoom (10x Optical Zoom, 10x Digital Zoom)
Focus Control	Manual / Auto
Tilt	90°
Pan	355°
Lens Type	HD Dedicated Electric Motorized Lens
Video Processing	H.265+ / H.265 / H.264 Video Encoding, Supports Code Stream 0.1M~8Mbps Adjustable; Supports Frame Rate 1-30 Frames / Adjustable

Image Output	Main Stream (30FPS) 2592x1944 2560x1440 2304x1296 1920x1080 1280x720
--------------	--

Sub Stream:
720x480
640x360

IR Cut	Integrated IR CUT switching circuit, External control / Manual / Timing to Control the IR Cut Day and Night Mode
--------	--

Network Interface	RJ45 Ethernet Interface, 10/100M Auto Adaptive
-------------------	---

Reliability	Power Supply and Network Comprehensive Lightning Protection, In Line with the National Standard GB / T17626.5, International Standard IEC61000-4-5
-------------	---

Internal Functions	Support OSD, Supports Real-Time Audio And Video Transmission
--------------------	---

Environmental

Storage Temp.	-22°F ~ +140°F
Humidity	< 95% RH

Physical Characteristics

Color / Material	White / Metal
Lens Cover	High-Intensity Gray-Black High Transparency Plexiglass
Network Interface	RJ-45
Power Supply	POE, 12VDC
Dimensions	7.48" x 4.6" (190mm x 8.66mm)
Net Weight	2.42lbs (1100 g)
