VMAX® A1 Plus™
Universal HD over Coax™ DVRs

Compare features of VMAX® A1 Plus™ to A1™ DVRs.

June, 2019

Push Notifications to Mobile App

Alarms and events detected by the VMAX® A1 Plus™ automatically send an alarm notification to the DW® Mobile™ App.

Snapshot Notify™: camera notifications sent to an e-mail or CMS

Set up interval camera notifications to be sent to an e-mail or CMS.

True HD 4K local output

all VMAX® A1 Plus™ DVRs come with a true HD 4K (3840×2160) for local monitoring

PathFinder™

Easy and secure peer-to-peer remote connection without opening ports.

System Analysis

A real-time graphical representation of all system connections. Receive connection alerts via email or text.

Channel Swap

Swap a camera's channel assignment without changing the cable connections.

Thumbnail Search

Find video fast by clicking on thumbnails by the date, hour and minute.

10 second playback jump button

Skip and playback video at 10 second intervals.
