

GV-QR1352 and GV-DES1352 Reader Version History

Firmware V1.10 2022-06-16

Note: After upgrading the reader to V1.10, the reader must be initialized using GV-QR1352/GV-DES1352 Setup App.

New:

- Support for Visitor mobile cards (only compatible with GV-Mobile Access app V1.10 or later)
- Support for GeoVision access cards with GID (GeoVision Identifier)
